<u>Willie the Turtle Journal</u>

Take Willie on adventures this summer and keep a journal. You will write a total of 10 entries for the summer. Each entry should be at least 4-5 sentences long, each written on their own page. Entries should be written as a letter to your classmates. Be creative and include pictures. On each entry you will include a date, as well as an opening and closing for your letter.

You will design the cover of your journal as well. Your cover must include your first and last name, the title "Willie the Turtle Journal", and a picture of your favorite adventure with Willie.
