

Dear Incoming 7th graders,

I would like to take this opportunity to congratulate you on almost completing another successful year and welcome you to 7th grade.

Throughout the year we will be using Google Classroom for many assignments and reviews. I have set up a special classroom for all of you. At some point in the next few weeks, please make yourself familiar with Google Classroom if you aren't already. You will need a gmail email account, if you do not already have one. I would like you to join the 2018-2019 7th grade Math classroom using the code "g54g80".

Once you are in the classroom, you will see a copy of the supply list for September as well as your summer Math packet. This math packet should be printed out and completed as it will need to be submitted on the first day of school for a grade.

Thank you very much for your cooperation. If you have any questions, feel free to contact me at [kbeaudry@hcjcany.org](mailto:kbeaudry@hcjcany.org) anytime.

I look forward to our Math journey together,

Mrs. Beaudry
