

Instrumental Music Education at Holy Child Jesus Catholic Academy

Provided by the Paul Effman Music Service

A recruitment assembly is scheduled for the Fall. At that time, students and parents receive all information regarding the program. Students (gr. 3-8) interested in playing an instrument receive lessons in small groups after school. The experienced band holds a winter concert and then the full band will perform its debut concert in the Spring of each year.

There is ample opportunity for talented musicians to participate in summer programs throughout the borough.

The service provides highly trained educators along with a skilled manager to regularly oversee the program. Staff members are carefully selected based on their college education and performance accomplishments. Teachers receive medical and retirement benefits. Their salaries are comparable to public schools. Students of Paul Effman Music Service receive quality education with continuity.

Instruments are available through a rental or purchase program at rates substantially below market. The instruments involved in the school band include: Bells, Flute, Clarinet, Saxophone, Trumpet, Trombone, and Drums, as well as many background instruments.

The cost of participation is billed directly to the parents. The school is not burdened with record keeping. The school's only responsibility is to provide adequate teaching space.
