

**2018 -2019**

**Student/Parent Handbook**  
**Acknowledgement and Receipt**

I/We hereby acknowledge receipt of a copy of the Student/Parent Handbook.

I/We agree to abide by the Academy Handbook for the 2018-2019 academic year. In signing this, I/we recognize the right and responsibility of the academy to make rules, enforce them, and to promote an orderly environment that is conducive to learning and based on the teachings of our Lord Jesus Christ. I/We understand fully that the regulations contained therein apply to all students without exception

I/We understand that this document supersedes any other previously issued Student/Parent Handbook. I/We also understand that it is my/our responsibility to adhere to its guidelines.

I/We understand that Holy Child Jesus Catholic Academy may amend when necessary the Handbook policies, procedures, rules, and regulations. All such changes will be based upon the discretion of the administration. All changes will be written as an addendum and distributed to all school families.

It is extremely important that a student be thoroughly convinced that his/her family stand behind the school and that they will receive an accounting of what the child does in school. Without such an understanding, a child may think that home and school are unrelated areas of authority and he/she will play one against the other. We can best serve the children by working together and by supporting one another in all things. If there is a difference of opinion, make an appointment to talk things over. We can surely come to some understanding which will safeguard the child's respect for all.

Please go over this handbook with each one of your children, sign the agreement below, and return this sheet to your child's homeroom teacher on or before September 17th.
