

SUMMER WORK FOR STUDENTS COMING TO GRADE 4

1. All summer work assigned is due on the first day you return to school in September.
2. Be sure to write your name on each sheet.
3. Math sheets: 50 questions total, be sure to show any work necessary to solve. You will receive a Math grade for your work in September.
4. ELA assignment: please read the book *Shiloh* by Phyllis Reynolds and write a book report. You will receive an ELA grade in September.
5. For your book report please make sure you complete the following:

*Please complete a cover page. On the cover please include the title of the book, the name of the author, and a hand-drawn illustration of your favorite part of the book complete with a caption to describe what is happening in your drawing.

*Identify the main characters and write a brief description of each character.

*Identify the story setting: where does the story take place.

*Summary: Write a summary of what happened in the book. Be sure to include what the problem was and how it was solved. This summary should be at least 2 good paragraphs.

*Write a short paragraph explaining why you liked or disliked the book. You must give specific examples to explain your opinion.
