

Algebra I Math Program Grade 8 Student Application

June 19, 2019

Dear Parents and Guardians,

It is a pleasure to inform you of our Regents Algebra I Math Program for students entering Grade 8 in September 2019 taught by Mrs. Beaudry.

Students in this program will do accelerated work beyond grade level to prepare them for the rigors of High School and to take the Regents Exam in Algebra in June 2020. Students who are selected to enroll in this course will simultaneously take this course with 8th Grade Math. Both classes will be graded, but only the 8th grade math class will be used to determine honor roll and graduation awards. .

Seats in this program are *limited* to 25 students, and applicants must meet the following criteria:

1. 7th Grade Final Cumulative average of 90% or higher in *all major subjects*, and **93%** or higher in Math
2. 70th Percentile or higher in Math on most recent Terra Nova exam (October 2018) and/or 3 or higher on most recent New York State Exams (7th Grade)

Students will be notified of acceptance during the week of September 9th. A detailed schedule and syllabus will be provided at that time.

Classes will be Tuesdays and Thursdays from 3:00-4:30, and Wednesdays from 12:00 -1:00. The first class will begin on Tuesday, September 17th. All students will need one marble composition notebook, TI-84Plus Texas Instruments Calculator, and pencils.

To apply, please complete all of the information below and return to the office by Monday, August 26th. A fee of \$300 per student will be used to defray the costs of materials and teacher salary. This fee is divided into three payments:

- Payment #1 \$100 due October 1st
Payment #2 \$100 due December 2nd
Payment #3 \$100 due March 2nd

You may return this form via mail, email, or fax. 718-850-2842

If you have any questions, please contact the academy office at 718-849-3988.

Sincerely,
Patricia Winters
